Dear Mr. Brieff,

Thanks for the old-fashioned courtesy of your letter of the 16th.

I, too, hope we meet someday. While it will be a pleasure to say hello to anyone who has been part of some of the fine work Newsay has done, I would like to try to interest you in other, completed work and its potential.

Meeting and working with Les Payne have been a joy. He is that kind of human being, that kind of reporter.

Sincerely,

Harold Weisberg
